Correct as at 09/02/2023, all dates and locations are subject to change. Please email if you have any questions.

**Training** includes sighting in, beginner instruction, open practice under supervision, safety and shooting technique instruction with novelty 'fun' shooting events.

We actively encourage our juniors to participate in other shooting disciplines that hold regular sessions within the Majura shooting complex. This not only ensures the future of our sport but also encourages them to become lifelong club shooters. Many of our volunteers shoot different disciplines so feel free to ask them any questions you may have.
